

STERILUX
INSTRUMENTS

SURGICAL CATALOGUE

We, Sterilux Instruments are manufacturer and worldwide exporter of Dental Instruments, Surgical Instruments. Our production control, testing and quality system standards are compliance oriented towards International Quality Control Standards. High-grade surgical stainless steel is ground, polished and sharpened to perfection. Generations of dedicated craftsmen skills and pride are reflected in each our instrument.

We extends its mission as "Healthcare at its cutting edge!" creating a culture of competitiveness based on total quality process. Thus Amalgam Surgical envisions itself as a leader organization in healthcare, recognized for its dedication by providing value oriented quality instruments to its customers by constantly exceeding their expectations.

At Sterilux Instruments, the quality is set in motion through motivated specifications planning by trained technical personnel. The computer aided designing and imaging provide visual instruments a set configuration, which simplifies each aspect of instrument manufacturing.

Our commitment is to meet the changing needs of healthcare systems and to lead the industry by providing quality surgical instruments at competitive cost.

Sterilux Instruments manages the industry's most comprehensive inventory to insure complete delivery, with instrument patterns in our website, We can provide any instrument virtually, quickly and economically.
